

18th February 2023

## **Annual General Meeting & Presidents Report**

Dear Members & Supporters,

On Wednesday 15th of February, Farming for Kids held their Annual General Meeting (AGM).

Please find minutes from the AGM [here](#).

Charles Hill presented the 2022 Presidents Report. A copy of his report can be read [here](#).

2023 represents 10 years since Farming for Kids was established. To date, the charity has donated upwards of \$200,000 into the community in aid of local children, with further provisions to meet future scholarship commitments. We hope to continue to fund many more initiatives that support our local children in the years to come. If you or someone you know has a project that Farming for Kids may be able to assist with, please take a read of our '[Funding Request](#)' web page and send in a Funding Request form.

Kind Regards,  
Vanessa Brownhill  
Secretary – Farming for Kids Inc
