
Subject: 2019 MEMBERSHIP FEES ARE NOW DUE

Date: Tuesday, 11 June 2019

From: Farming for Kids

Hello Farming for Kids Members & Supporters

To be honest this Membership Notice is well overdue as Membership fees are for the calendar year not the financial year! But how nice to have some positive news to accompany this Membership Notice. Did you see our facebook post - Excitement at the Airport? We are so excited about our emerging crop of Lancer wheat.

THANK YOU Pacific Seeds and Pursehouse Rural for your donation of the Lancer seed wheat. THANK YOU Charlie Widdis and Peter Ingall for your donation of machinery, fuel and time to plant the crop and to Scott McInnes for co-ordinating the plant. THANK YOU Pursehouse Rural, AMPS Agribusiness and Nurural for your ongoing support with chemical donations. THANK YOU Peter Slade for your continued spray contracting

support. THANK YOU Rabobank for your continued support. THANK YOU Cr Andrew Hope and the Liverpool Plains Shire Council for supporting us through these difficult seasonal conditions.

And thank you to Sally Alden for the great photos taken at our Committee meeting last week, when we hosted a visit from Quirindi High School Scholarship recipients and representatives, and visiting Concord Rotarians.

Thank you for your support.
